**Higher Education Emergency Relief Funds Grant (HEERF)
2nd disbursement
(Date on publishing: December 29, 2020)**

New Age Training is pleased that Congress is providing support for higher education in the face of COVID-19, including its establishment of the \$14 billion Higher Education Emergency Relief Fund. These funds are being allocated largely based on enrollment of students who qualify for Title IV funding under section 484 of the Higher Education Act.

New Age Training received the HEERF grant for our students on April 30th, 2020. We will start submitting grant applications to all eligible active students who are enrolled or will be enrolled by June 30th, 2020. Applications will be reviewed in the order in which they are received. Completing this form does not guarantee funding availability, or that all needs will be met.

In response to the global Covid-19 Pandemic, the U.S. Government has enacted the CARES Act to provide, among other things, financial support for students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care) through the Higher Education Emergency Relief Fund (HEERF).

All students eligible for financial aid and who meet the criteria will be eligible for the HEERF grant and will receive an application via email.

Because we have left grant funds left unused at the end of 2020 by eligible students, we have allocated funds for 2nd grant disbursement for all students who are eligible for financial aid based on their enrollment status.

Funds have been reserved for **all eligible students who met financial aid and school requirements:**

- Students who are currently attending school for at least 30 days (they will start receiving grant application this week)
- Students who are currently attending school and started a program less than 30 days ago (they will start receiving grant application after they meet 30 days enrollment period)
- Students who are currently on approved Leave of Absence (they will start receiving grant application after they return from LOA)
- Students who started program before January 1st, 2021

Students must attest to the need for the grant for the purposes required by the law on the application form and sign as indicated. Please note that these grants may be subject to federal and state income tax. New Age Training will issue HEERF grants to students by paper check which will be mailed to the student according to the mailing address specified on the Grant Application.

Students must submit the application for a grant to the Financial Aid Office by January 8th, 2021. Applications will not be accepted after January 8th, 2021.
